Hi Douglas,

I reformatted things a little with notes to explain why. Please check to see if you agree. I am also not sure of the date and the meeting title.

Hi Valois: here are three documents to assist you. This first is the template. The second is the document that I think we should update since I believe it follows this template format. The third attachment is my most recent version of what you used to brief Shaun.

Keep in mind that the audience is the SD DENR. If you can send to me by COB tomorrow, I would appreciate it. If you think you will need more time, just let me know. I will need to send it through Sadie and I think she it out on Friday.

Thanks!
